VOL. III. RALEIGH, N. C., THURSDAY, AUGUST 6, 1868. NO. 309

## The Daily Sentinel.

WM. E. PELL, Proprietor.

*HON. O. H. DOCKERY.*

"We believe in giving credit where credit is due. We are gratified to learn that Mr. Dockery has been decided in his advocacy, before the Reconstruction Committee and elsewhere, of the removal of disabilities from all whose names were presented. His conduct in this matter is in favorable contrast with that of hon john pool."

We heartily endorse the above from the Raleigh *Sentinel*, and to prevent any future assumption that the compliments of two such "Rebel" sheets have injured the prospects of the renomination of Capt. Dockery, we will state that it is already arranged to defeat him. That gentleman, we know, is too discreet not to have discovered the influences to which he was indebted for his nomination and to appreciate the fact that the purposes have had their desired effect, and he must give way to the carpet-baggers, who have the control of the organization of most of the counties comprising this Congressional District.

To be more explicit, Capt. Dockery was nominated by the friends of Gen. Abbott, in order that his election might injure the chances of his father, Gen. Dockery, for the Senate. In this calculation Abbott did not count without his host. He having now secured the Senatorship, New Hanover, Sampson, Brunswick, Bladen, Cumberland, Harnett counties, and probably others, which are under the control of carpet-baggers, will secure the nomination of a certain carpet-bagger of this city, who only postponed his "aspirations" and his *claims* to further the schemes of Abbott. So, whatever might have been the course of Dockery, it is not in the programme that he shall be his own successor. How long Lash and Jones, the other old citizens, scallawags though they be, will be permitted to go to Congress, if not beaten by Democrats, we know not.—Certainly no longer than the miserable vultures can feel certain that those Districts are ripe for their attacks.—*Wil. Journal.*

*A SENSIBLE CARPET-BAGGER.*

At a Radical meeting recently held in Washington—

"Mr. Railsback, of *Mississippi*, said he had been a candidate for Congress in Mississippi. He, for one, would not go back to Mississippi, but *would return to Indiana where he originally came from.* He knew he was a carpet-bagger, and was not ashamed to own it. He thought Mississippi was not a very desirable place to live in anyhow, as the Democrats there were thoroughly organized, and worked like beavers."

This is the first verse of the first chapter of Carpet-Bagger "Exodus."

It is to be hoped that the example of this good Mr. Railback will not be lost upon his brethren, and that, like him, they will arise and go into the 'land from whence they came. And that all these unhappy men, who have mistaken their calling, may be induced to drop the avocation of jack-leg politicians, and return to honest work, we commend to the Democrats the example of their Mississippi brethren, as we gather it "organize thoroughly and work like beavers."—*Pet. Index.*

THE RADICAL OUTRAGE IN MISSOURI.—The Radicals of Missouri have given a signal example of their ideas of free speech in a free country. On Saturday last the Democrats of Saline and Pettes counties held a Seymour and Blair ratification meeting.—When Col. Phillips, a gallant soldier of the Federal army, was addressing the large crowd assembled, among which was an unusual number of ladies, a mob of Radicals attacked the meeting with pistols, clubs, and stones. They were repulsed, but renewed the outrage, when a terrible fight took place, which ended in the killing of three and the wounding of twenty persons. "Let us have peace," said Gen. Grant, and this is the manner in which his friends interpret his meaning.—*Wash. Express.*

A RADICAL BLUNDER.—Under the old Constitution of South Carolina the Legislature elected the electors of the President and Vice President of the United States.—This was horrible to Radicals, who denounced it as aristocratic; so, in framing the new Constitution of that prostrate State they took occasion to declare (art. 8, sec. 9) that "*Presidential Electors shall be elected by the People.*" The new Radical programme is to elect the electors by the Radical Legislatures, in order to avoid any risk in leaving the matter to the people; but the South Carolina Constitution prohibits anything of this sort. So the unscrupulous schemers find that they have, in that State, gone too far in their zeal for doing away with the customs and laws of other days.—*Richmond Dispatch.*

MICHIGAN SHAKY.—In this connection it cannot be uninteresting to state that reports are still being received here from the West of the most gratifying kind for the Democracy. The people there are paying little heed to the names of the candidates. It is the fair and square platform that is enlisting support from all classes. A letter received here yesterday from Michigan, written by a cool, calculating politician, resident in that State, expresses the conviction that the Radicals will have the hardest kind of up-hill work there in the fall elections. Some of the most observant Seymour men here have put that State on the list of those which will go Democratic.—*Letter in Rich. Dispatch.*

Forney admits over his own signature, "Occasional," that the purpose of Congress in taking recess till the third Monday in September is to give the Radical party "the key of the position," and thus to enable them to disfranchise and legislate in what ever way is necessary to trick the popular majority out of its victory. Let your Rump Congress just dare to try the little game, Master Forney.—*World.*

The colored men of Mississippi, since the late election, are going over *en masse* to the Democrats. In a single county one thousand of them have procured certificates of membership in Democratic clubs. It was the negro vote that beat the Radicals in Mississippi.

THE PAINS OF BOILTY.—All of the officers of Congress, including the negro messengers even, were to day assessed, and paid, one and a half per cent. on their salaries, to aid the Grant and Colfax ticket. There was some grumbling over it.—*Wash. Cor.*

Judge Black says that Seymour will carry Pennsylvania by twenty-five thousand majority.

## *SEYMOUR AND BLAIR RATIFICATION MEETING IN CABARRUS.*

According to previous notice, a large number of citizens from all parts of the county assembled at the Court House in Concord, on Saturday, the 1st. of August.

On motion, Col. J. C. Barnhart was appointed Chairman of the meeting, and John L. Shinn, Secretary.

The object of the meeting was explained in a few apptopriate remarks, by Maj. Montgomery.

On motion, a Committee, consisting of Dr. P. M. Henderson, Maj. Wm. J. Montgomery, S. A. Grier, Maj. L. C. Helley and L. C. Kirkpatrick, was appointed by the Chair to report matter for the action of the meeting.

During the absence of the Committee, Col. Long was called for and he responded, to the call in an able and eloquent address.

The Committee, on their return, reported the following preamble and resolutions, to wit:

WHEREAS, The delegates selected by the Conservative masses of every State in the Union did, in Convention assembled, in the city of New York, on the 4th of July, nominate candidates for President and Vice President of the United States and adopted a platform of principles; *and whereas*, we recognize, in the nominees, Horatio Seymour, of New York, and Frank P. Blair, of Missouri, statesmen and patriots eminently qualified for the high positions to which they have been respectively nominated; *and whereas*, we heartily endorse every principle, every line and every word of the platform adopted; Therefore,

*Resolved*, That believing with Horatio Seymour, as President, and Frank P. Blair, as Vice President, holding and executing the great principles announced in the Democratic platform, as their cardinal doctrines and as their theory of administering the government, the whole country will be restored to peace, and will rapidly regain her former prosperity, we hereby pledge ourselves to use every honorable effort for the success of the ticket.

*Resolved*, That our thanks are due, and are hereby tendered, to our delegates to the National Democratic Convention, for the satisfactory manner in which they discharged their duties.

*Resolved*, That we cordially approve of the course of our members in the present Legislature of this State, for the noble stand they have taken in the cause of constitutional liberty, and against the unconstitutional and grossly subversive legislation of the reckless and irresponsible carpet-baggers and scallawags, who constitute a majority of that body.

*Resolved*, That the Chairman of this meeting appoint fifteen delegates to represent this county in the Convention, to be held in Raleigh, on the 13th of August.

*Resolved*, That we recommend Statesville as a suitable place to hold a Convention to nominate a candidate for elector for this Congressional District, and that the Chairman of this meeting appoint twenty-five delegates from this county to attend said Convention.

*Resolved further*, That highly approving the course of the *Independent Press*, published in our town, we respectfully recommend it to the patronage of our citizens generally.

The meeting was then ably addressed by Maj. Montgomery, who exposed, in a proper manner, the corruption and villainy of the Radical party.

The foregoing preamble and resolutions were unanimously adopted.

The Chairman then announced the names of the following gentlemen as delegates from this county to the Convention to be held in Raleigh, August 13th: Gen. W. C. Means, Maj. L. G. Helley, Augustus Barrier, E. D. Lentz, John Winecoff, H. S. Pharr, Col. T. H. Robinson, John H. Newell, Allen Boger, Dr. F. M. Henderson, Col. J. M. Long, Christopher Melchor, Dr. J. P. Gibson, Jos. Misenhimer and John L. Shinn.

A Seymour and Blair Club was then organized.

On motion, it was ordered that a copy of the proceedings be forwarded to the *Sentinel* and *Independent Press* for publication.

Rely upon it! Cabarrus will do her duty in the coming election.

J. C. BARNHART, Pres.
JOHN L. SHINN, Secty.

## *RATIFICATION MEETING IN JOHNSTON.*

At a large and enthusiastic meeting held at W. H. Avera's Store, on Saturday, 1st. day of August, the following proceedings were had:

On motion, Jethro Thain, Esq., was called to the Chair, and J. B. Keneday, Esq., appointed Secretary.

The Chairman explained the object of the meeting, in a few very appropriate remarks; after which, Wm. H. Avera, Esq., presented the following preamble and resolutions:

WHEREAS, The great National Convention, which assembled in the city of New York, on the 4th. day of July last, representing the Constitutional Union loving element of all former political parties, profoundly impressed with the dangers, which now threaten to sap the foundation of Republican government and Constitutional liberty, by the wild, reckless, vindictive and unconstitutional policy of the Radical Republican party, who assume to govern this country, independent of and in violation of the Constitution of the country, by that higher law power known only to and practiced by despots, did adopt a platform of principles, eminently National and Republican in their character, and placed before the country candidates, for the office of President and Vice President, pledged to the support of the said platform, and have submitted their proceedings to the American people and have appealed to a great nation to rescue and preserve herself from an absolute military despotism; now therefore!

*Resolved*, That we do cordially endorse the platform of principles adopted by said convention, and pledge ourselves to their support.

*Resolved*, That in the Hon. Horatio Seymour, of New York, for President, and Hon. Frank P. Blair, of Missouri, for Vice President, we have statesmen every way worthy and well qualified to fill the high positions to which their countrymen have called them; and believing, as we honestly do, that a despotism the most grinding can only be averted by their election, we pledge to them our undivided support, and beg all true friends of republican liberty to forget party and party ties, and work and vote once solely for the good of their country, joining millions whose watchword is, "Our country shall be restored; our Federal Union shall be preserved; our glorious old flag shall wave all over this broad land of co-equal States, as the proud ensign of constitutional liberty, and not as terms of military oppression over one State of our glorious constellation of stars!"

*Resolved*, That we believe a general concert of action is essential to success. We, therefore, resolve ourselves into an Association of friends to, to be known as the Avera's District Seymour and Blair Presidential Campaign Club.

*Resolved*, That we advise the friends of Constitutional liberty, of every District in this county, and every county and district in the State to at once adopt some plan of organization that will insure a general concert of action, for the promotion of the great work before us, that of the triumphant election of Seymour and Blair in November next, and the rescue of the country from absolute military despotism.

*Resolved*, That, as lovers of peace and good order, (notwithstanding we are taunted as being disloyal,) we advise and beg that every member, not only of our Club, but friends of Seymour and Blair throughout the State, shall vie with each other, as being the most quiet and law-abiding citizens; thereby showing to the world that our political enemies do falsely malign and abuse us, looking to God as the defender of right, and appealing to the people to peaceably yet determinedly resort to the ballot box for a redress of wrongs and to restore our State and country to its former prestige and glory.

Mr. Avera addressed the meeting in support of his resolutions, and the platform and nominations of the great National Convention of New York, in a speech of great force, of two hours length. Mr. A. drew a most graphic picture of the great contrast between the horde of hungry office-seekers who were ready to sell their birthright for a mess of pottage, and the great body of statesmen, from all the old political parties, who met in council at New York to save their country.

A Seymour and Blair Club was formed, officers elected and other times of meeting appointed for the Club.

JETHRO THAIN, Chm'n.
JNO. B. KENEDAY, Sec.

## *HENDERSON—ORGANIZATION OF A SEYMOUR AND BLAIR CLUB—SPIRITED MEETING.*

Pursuant to notice, the citizens of this and surrounding communities met for the purpose of organizing a SEYMOUR AND BLAIR CLUB, and to take such initiative steps as may secure the greatest harmony and unity of action in the approaching campaign.

Capt. S. J. Parham called the meeting to order by moving the election of Col. P. E. A. Jones as Chairman, which was done.

On further motion of Capt. P., Mr. Robert M. Furman was requested to act as Secretary.

By request of the Chairman, Mr. W. W. Jones explained the objects of the meeting to be as above stated.

On motion of Mr. W. W. Jones, the Secretary was requested to read a Constitution that had been adopted by similar organizations throughout the country, which, after some slight alterations and amendments, was adopted by the Club.

[It is substantially the same that appears daily in the SENTINEL.]

On motion of Mr. Cicero W. Harris, the Secretary read a series of By Laws, which were, in like manner, adopted.

On further motion of Mr. Harris, the club proceeded to elect permanent officers, when

Dr. W. W. Young placed in nomination Mr. W. Hamilton Young, who, receiving no opposition, was unanimously elected.

The Chair then appointed a committee of two, consisting of Messrs. W. W. Jones and C. W. Harris, to escort the President elect to the Chair; when, upon assuming the position,

Mr. Young acknowledged his appreciation of the compliment in an able and effective address—pointing out the evils which beset us, portraying, in an unmistakeable manner, the direful consequences which must result in case of our defeat, and the beneficent and happy results which must follow our success. He contrasted the respective candidates for Presidential honors, to the serious disadvantage of the man who has "no policy of his own, aside from the will of Congress." Mr. Young's remarks were received with hearty applause.

The Club then proceeded to elect the other necessary officers, which resulted as follows:

VICE PRESIDENTS—Col. S. S. Royster, Maj. J. F. Harris, Dr. W. T. Cheatham.

EXECUTIVE COMMITTEE—Capt. S. J. Parham, Capt. C. Ledbetter, A. W. Rowland, Esq., W. W. Jones, Esq., Cicero W. Harris, Esq.

TREASURER—Dr. W. W. Young.

SECRETARY.—Robt. M. Furman.

CORRESPONDING SECRETARY.—W. Cassius Lassiter Esq.

On motion of Mr. Cicero W. Harris, a Committee of five was appointed by the Chair, to draft resolutions expressive of the sense of the Club, which consisted of Gen. H. Rowland Esq., Cicero W. Harris, Ed. Brodie, James Tillett, and Robt. M. Furman.

During the retirement of the Committee, Mr. W. W. Jones was introduced, and entertained the meeting for nearly an hour in a forcible manner. Sir. J. ventilated the infamous acts and measures of Congress and the Radical party, and concluded by urging the greatest harmony of action, and a united effort in the forthcoming campaign, to save our country and our liberties.

The Committee on Resolutions then submitted their report through its Chairman, Mr. Rowland:

*Resolved*, That the Reconstruction Acts of Congress are extra Constitutional, unwarranted by the civil law of the State of North Carolina, utterly subversive of free government, and destructive of the public quiet and happiness; that under them we have no hope of a return to the settled ways of peace and security; that under them discord between the white and black races must continue—under them, the social fabric is endangered, industry is paralyzed, good citizens are banned and proscribed, and bad men put in control of the State and local governments.

*Resolved*, That the usurpatory and licentious exercise of power by the so-called Executive and Legislature of this State is respectfully and calmly referred to the decision of the voters of the Northern States in the approaching Congressional and Presidential election, in the earnest expectation that a spirit of humanity will constrain them to remember our desolation and affliction, and extend to our down trodden South that relief her critical condition and the dictates of generosity so loudly call for.

*Resolved*, That the harmonious action of the New York Convention, which met on Independence day, rejoices every patriot heart in the land; that we heartily approve of and endorse the platform of principles enunciated therein.

*Resolved*, That the nomination of Horatio Seymour for the Presidency, and that of Frank P. Blair for the Vice-Presidency, has our endorsement and support, and that we are rejoiced to believe that indications point to the election of these distinguished gentlemen by a handsome, if not an overwhelming, majority.

*Resolved*, That we recognize in the present Conservative, Democratic party of the country the only organization that promises a restoration of Constitutional government, and, as the party of the Constitution and free government, we extend to it our unqualified support.

*Resolved*, That the thanks of the entire people are due to Andrew Johnson for his able and impartial administration of the duties of Chief Magistrate of the country during three years of National peril and hazard.

Which report was unanimously adopted.

Eloquent and patriotic speeches were then made by Messrs. Cicero W. Harris and James F. A. Lamond.

On motion of Mr. James H. Tillett, the proceedings of this meeting were ordered to be furnished the Henderson *Index*, Raleigh *Sentinel* and Salisbury *Old North State*, with the request that they please publish.

On motion of Dr. W. W. Young, a delegation of twenty five were appointed to represent this Club in the approaching State Convention. And

On motion of Robert M. Furman, a delegation of ten was appointed to attend the County Convention, at Oxford, on the 4th. inst.

On motion of C. W. Harris the meeting adjourned until Saturday, the 15th. inst.

W. HAMILTON YOUNG, Chm'n.
ROBT. M. FURMAN, Sec.
Henderson, N. C., Aug. 1st., 1868.

## *BERTIE COMES NEXT!*

At a public meeting, held at Coleraine, of the Democratic Conservative Party, on Saturday, 1st. day of August,

On motion of J. L. Mitchell, Col. S. B. Spruill was appointed Chairman.

On motion of Jos. H. Etheridge, John H. White was appointed Secretary.

The Chairman, in a few brief remarks, explained the object of the meeting to be to ratify the nominations of Seymour and Blair, and to appoint delegates to the Democratic Convention, to be held in Raleigh on the 13th. of August.

On motion of John Wilson, the Chair was requested to appoint delegates from each Captain's district, to attend said Convention for the county of Bertie.

The Convention ratified the nomination of Seymour and Blair, and endorsed the platform.

Dr. P. T. Henry, being called upon, delivered an able, eloquent and argumentative speech, calling upon the true men of the country to rally around the standard of Seymour and Blair.

J. L. Mitchell, Esq., being called for, responded in an eloquent and appropriate manner, urging the good men of the country to form Seymour and Blair Clubs, and concentrate all their influence to accomplish the election of the Democratic candidates.

S. B. SPRUILL, Ch'm.
J. H. WHITE, Sec.

[About 75 delegates were appointed to the State Democratic Convention, whose names we are reluctantly compelled to omit.]

## *COLORED DEMOCRATIC ORGANIZATION*

At a meeting of the colored citizens of Rockingham Co., N. C., held at Wentworth on the [illegible] day of July, 1868, Moses Billington was called to the Chair, and, upon motion, George Allen, Martin May and Sandy Kimmons were appointed a Committee to draft a platform and resolutions for their guidance in the approaching Presidential election.

Whereupon, the Committee reported the following preamble and resolutions:

WHEREAS, We believe that the interests of the white and colored races are the same, and that whatever injures or benefits the one will injure or benefit the other, and further believing that the interests and prosperity of both depend upon their living together harmoniously; *and whereas*, we are anxious to secure liberty and the full protection of the laws to all men, in life, liberty and property; *and whereas*, we believe that the great National Democratic party is the only party, in our opinion, best calculated to secure these ends; now therefore,

*Resolved*, That we pledge our most earnest efforts to promote the success and ascendancy of the Democratic party.

*Resolved*, That we most heartily endorse the nominations for President and Vice President, made by the National Democratic Convention, assembled at New York on the 4th of July, 1868, and pledge ourselves to exert our best efforts in behalf of their election.

*Resolved further*, That we are utterly opposed to all oath-bound political societies, and that this organization shall be known as the Wentworth National Democratic Club, with a President, Vice President and Secretary, as its officers.

MOSES ELLINGTON, Pres.

## *WAYNE.*

The citizens of Wayne county held their grand ratification meeting, last Saturday.—It was a spontaneous outpouring of the masses, filled with enthusiasm and buoyant with hope. Many colored persons were in attendance and all demeaned themselves in a becoming, orderly manner, and, throughout the entire day, listened to all that was said with the most respectful attention.

The meeting was ably and eloquently addressed by Hon. Wm. T. Dortch, Rev. C. J. Nelson, and Messrs. Galloway, Morrisey and Wm. Robinson.

## *DAVIDSON, ROCKINGHAM, RUTHERFORD.*

We have received the proceedings of large and enthusiastic meetings in the above-named counties, all of which we are compelled to defer until another day. They were attended by immense masses of the people, and addressed by the ablest men in those sections of the State.

## *ROWAN.*

There was a large mass meeting in Salisbury, on Saturday last. James B. Gibson, Esq. presided; Maj. N. F. Hall and John K. Graham were Vice Presidents, and Dr. J. R. Praley, Secretary. Fifty delegates were appointed to the State Convention, and twenty-five to a District Convention, to be held at Statesville, for the purpose of nominating an Elector. A resolution, among others, commendatory of the course of the Hon. Nat. Boyden, was adopted.—The meeting was ably addressed by W. H. Bailey, Luke Blackmer, J. M. McCorkle, Esqrs. and Dr. T. W. Keene.

On Monday night, there was a glorious meeting of the Seymour and Blair Club. The District Court being in session, a large number of people from the country were in attendance. The meeting was addressed, amid intense enthusiasm, by Gov. Vance and the Hon. Thos. S. Ashe. During the speaking, bonfires were blazing.

## Correspondence of the Sentinel.

### *OLD CARTERET FOREVER!*

BEAUFORT, N. C., Aug. 1, 1868.

*Messrs. Editors:*—The slogan of Democracy is sounding from the Seaboard to the Mountains, and the names of our gallant standard-bearers are being unfurled to every breeze. From North to South, from East to West, are heard the booming of cannon and ringing of bells,—rejoicing over the nominations of Seymour and Blair, as President and Vice-President of these United States.

*Old Carteret* is alive. She did her duty nobly in the last election, and is prepared to do it again. In the last election we gave a majority *against the Constitution*, and elected *our Conservative ticket entire*, and we *have entered on this canvass with a determination to win*. We have organized Seymour and Blair Club, No. 1., of Carteret County, and now have, on our roll of members, *one hundred and ten men who cannot be bought*,—men who have gone through the fiery furnace, and who (thank God) will not sell their birthright for a mess of pottage.

On Thursday, July 30th., 1868, the white citizens of Newport, in this county, held a ratification meeting, and also organized Seymour and Blair Club, No. 2., with a membership of sixty or more. It is our purpose to organize these Clubs all over the county. We do not intend to be caught napping; we intend to work early and late, through sunshine and storm, heat and cold. We have selected men of energy, who are never weary of well doing, and we beg of you to *urge* the formation of Clubs all over our State, for, without organization, we are powerless. The mean party schemes of the Radical carpet-baggers, scallawags and negroes must be met, and we must use all honorable means to defeat them, and save old North Carolina from *utter ruin*.

In our quiet little county, the man who "writes himself Governor" has appointed *five* negro magistrates, viz: Steven Turner, Charles Bell, Geo. Perkins, Frank Gibble, and Parker Whittington, *Esquires*.

Our ratification meeting, which was held on the 28th of July, was the day our County Commissioners qualified, (all Conservatives.) Also the magistrates all came to time, except Holden's negro magistrates, who *refused* to qualify, and why? Simply because they were advised not *to do so* in their loyal League. But 'tis useless, carpet-bags, scals and nigs, you cannot sneak out in that way. The thing has been "did" and cannot be re called. Remember the "*nig*" magistrates, and "nary" crumb to Conservatives, white men of North Carolina! and do your duty in November. If we go in *right*, we are *bound* to win, and *we will* go in with that determination and come out with victory perched upon our banners.

Before closing this article, I would ask you, that, in justice to old Carteret, you correct an error of your Reporter for the Senate, in writing *one Major Moore*, formerly of Pennsylvania, and late of a nigger Regiment, as being the Senator from *Carteret*. This is a mistake. You should write him as being from Pennsylvania, or Craven, as he was elected by a large negro majority in that county. *We* do not claim him and *never will*.

Our Club is daily *recruiting* from the League, and should the business in that line continue as it has commenced, when the *Major* returns he will have to give a history of his doings and sayings in the Senate to negroes and empty benches.

And in conclusion, we would say: Let the *Sentinel* keep a sharp lookout for Radical election schemes and carpet-bag meanness. More anon. AMERICUS.

## *NASH.*

A large dinner was given at Whitaker's Mills, on the 1st inst. A Seymour and Blair ratification meeting was held. A large and enthusiastic crowd was in attendance, and the best feeling prevailed. The meeting was presided over by N. W. Cooper. Strong and patriotic resolutions were adopted, and able addresses were made by Col. Thomas S. Kenan, of Duplin, and Capt. Samuel T. Williams, of Granville.

Steps were taken for the formation of two Seymour and Blair Clubs,—one of white voters and one of colored,—and to have the county fully represented in the State and District Conventions.

Old Nash is fully alive in this contest and her citizens are becoming thoroughly aroused. A grand Democratic dinner is to be given by them at Col. W. D. Harrison's store, in the county, on the 20th. of August. Distinguished speakers have been invited to address the meeting.

## *PERQUIMANS.*

An enthusiastic Seymour and Blair ratification meeting was held at Hertford, in this county, on the 1st instant. Henry W. Barber, Esq., (iron-clad Union man,) was called to preside, and J. C. Skinner, Dr. David Cox, James M. Mullen, and Samuel Sutton, Esqs., were appointed Vice Presidents.

Resolutions were adopted, ratifying the Democratic nominations at New York, and stirring speeches were made by Willis Bagley, Thos. H. Gilliam, and Thos. G. Skinner, Esqs.

Messrs. Gilliam, Bagley and Skinner were appointed delegates to the approaching Convention in this city, with Dr. David Cox, Dr. J. J. Shannonhouse, and Jos. W. White, Esqs., alternates.

A Seymour and Blair Club was organized, of which Thos. H. Gilliam, Esq., was chosen President, and J. C. Skinner, Nathan Newby and Samuel Sutton, Vice Presidents, with J. M. Mullen, Recording, and Francis Barrow, Corresponding, Secretary. One hundred and fourteen members were enrolled in a half hour.

## *WILKES.*

There was an immense mass meeting in Wilkesboro, on Friday last, which was addressed with fine effect by Gov. Vance and others. The indignation in this county at the developments of the new Radical-negro regime in the State knows no bounds. Wilkes will be all right, by a large majority, in November.

COLUMBUS COUNTY.—Sheriff Richardson informs us that Columbus county will send a large delegation to the State Convention. From other counties, we also have encouraging reports. From present indications we judge there will be not less than one thousand delegates in attendance. We put New Hanover down for one hundred; and we advise our friends of the *Sentinel* to look out for the biggest demonstration that ever took place in Raleigh. Can our "Oak City" friends guaranty rations for all?—*Wilmington Star.*

We will do our "level best." We think that we may safely promise that every latch-string shall be on the outside. So come on, friends.

Mr. Vallandigham defines a loyalist as a man who stands with one hand stealing, and the other holding up the flag. As long as one hand holds up the flag the other may steal and steal, and it is all right.

The Cincinnati *Enquirer* has advices from Kansas which lead it to believe that the electoral vote of that State will be cast for Seymour and Blair.

Vote for Grant and Colfax and you vote for war and revolution.

For the Sentinel.

EDITORS SENTINEL:—It must be a source of gratification to the few *reading* Radicals of this county to know the place of the ex-Major (who has gone to his reward) is to be so ably filled. My attention was drawn to the first attempt of this new-fledged writer in yesterday's issue of the *Standard*, and, considering the unworthy subject, the article does credit to his illustrious teacher. With experience and a little *Cooking*, at headquarters, his master may well feel proud of him. I am at a loss to know why he should take me for the subject of his maiden effort. Surely I court no honors that the party to which this would-be Railroad Conductor belongs can bestow. Call me Copperhead, or what not, it may be a weakness, but is nevertheless true, that I value the respect and esteem of the intelligent, discerning men in any community in which I live, above price; and not even the appointment of magistrate, with which this aspiring writer has been put off, can shake this fixed idea of mine. And when I see the principles I advocate endorsed by a large majority of the people of my own section of the country, the opinion of these negro worshippers, for office sake, will have but little weight on my mind.

Yours truly, CHAS. E. PRESTON.

## COLLEGES AND SCHOOLS.

**Louisburg Female College,**
**FRANKLIN CO., N. C.**

THE FALL SESSION OF 1868 will begin on the 13th day of August.

The success of the institution, under its present administration, has far surpassed the expectations of its most sanguine friends.

CHARGES PER SESSION OF 20 WEEKS:
Board (exclusive of washing and lights) and Tuition in the regular English course and Ancient Languages, $100. Extra Studies moderate. $50 in advance,—remainder at the end of the session.

ADVANTAGES.

An able, energetic, and successful Faculty; an extensive and wisely arranged course of study; a judicious and thorough system of instruction; a select Chemical and Philosophical apparatus; a good Library; fine Musical Instruments; a beautiful, pleasant, and healthful location; a large, commodious building, with rooms well ventilated and well warmed in winter; excellent water, good fare; kind attention to the wants of the pupils; mild and efficient government, and ample Religious privileges.

For Circulars, containing full particulars, apply to T. M. JONES,
June 15-tf President.

**Wake Forest College, N. C.**

THE FALL TERM OF THIS INSTITUTION will open on the first day of August, 1868, with the prospect of increased patronage and success. The complete assurance given at the recent Commencement, of the adaptedness of the University system to the wants of the times, and of its feasibility, encourages its friends to believe that the College has entered upon a career of popularity and usefulness hitherto unknown in its history. The financial embarrassments in which all Southern Colleges have been subjected are not felt to the same extent at Wake Forest, as at some others, in consequence of the considerable amount of original endowment saved, and of the favorable reception with which the Agent of the College meets in securing additional funds An expenditure of more than $2,000 has been recently made in improving the condition of the building and grounds.

Determined to bring its advantages within reach of the largest number possible, the Trustees, seconded by the community, have reduced the price of Board and Tuition to the lowest practicable rates.

The officers of instruction are gentlemen of tried ability in their several departments, and the success attending their efforts in the past is the best guarantee the public can have for the future.

The location of the College in point of healthfulness and accessibility, (being situated on the Raleigh & Gaston Railroad, a few miles from the Capital of the State,) is not surpassed by that of any other in the land; while the moral and social influences connected with and surrounding it, and the peculiar discipline enforced, present inducements to patronage of no ordinary kind.

A system of PUBLIC LECTURES on literary and scientific subjects has been introduced, with a view to increase the interest of the young men in the several departments of study, and to furnish additional incentives to investigation and research.

Extensive and well selected LIBRARIES belonging to the Societies, and complete APPARATUS, PHILOSOPHICAL and CHEMICAL, are not to be omitted in the enumeration of the advantages possessed.

Another encouraging feature is that there are, at present, thirteen young men engaged in studies preparatory to the work of the Ministry; and it may not be amiss to state that any Minister, who may apply for admission, will receive tuition in all the departments free of charge, and those of this class, who are without means, are encouraged to apply to the Board of Education for further assistance.

### *SALARIES AND FEES.*

This is a matter in which the people are deeply interested, and one about which they hold the representative to a stricter accountability than for any thing else. The reports of the Committee on Salaries and Fees will, therefore, be strictly scrutinized.

We have never believed that the public officers of North Carolina were sufficiently paid. The parsimoniousness of the people, in this regard, has been unwarrantable. Every office, in our judgment, should be filled with the best capacity and the highest integrity, suited to the character of the office; and the officer should be paid a fair compensation for his labor, his responsibility and the amount of talent necessary to its discharge. We, therefore, unhesitatingly say, that the majority report of the Committee on Salaries and Fees meets our views of propriety and right, except in one or two instances, much more fully than that of the minority.

The salaries proposed for Judges, if they were not so numerous and so generally incompetent, as at present, are not too high. Indeed we would much prefer to have fewer of them, and better men with higher salaries. Three Judges on the Supreme Court Bench, men of the highest order, at $4,000 per year, and eight highly competent Superior Court Judges, at $3,500, would suit our views far better then $3,250 for the five Judges of the Supreme Court and $3,000 for the twelve now on the Superior Court Bench.

The salary fixed for the Governor, $4,000, is small enough. Many men could be gotten for the office, as at present, who would be a positive damage to the State, but such men as *ought* to be Governor of North Carolina ought to be paid at least $4,000 annually.

The most responsible and most important State officer, in the State, is the Public Treasurer. If he has the talent requisite for a State Treasurer, the State would always make money to pay such an officer $4,000, and give him two or three of the best clerks in the land. The duties of this office are constantly enlarging and becoming more and more important. The sum fixed by the Committee, with two clerks at a cost of $2,500, may do, but is not too large.

The Auditor, who ought always to be a first-class accountant and a man of high integrity, ought to be paid $1,500 per annum, and, by all means, afforded a good clerk. His office requires, mainly, *clerical* ability, and does not require a man of any high order of talent.

But the proposition to give the Secretary of State $2,250 salary, with fees, and afford him two clerks, at a cost of $2,500, is absolutely monstrous. It looks precisely as if it were, as it unquestionably is, a carpet-bagger proposition, out and out. Heretofore, the office has been filled by highly competent men,—far more so than we are likely to have under the present *regime*. They have all been satisfied with the fees, and a salary of from $1,000 to $1,200. It is only recently that that officer has been allowed *one* clerk. The fees of the office have been $1,500 a year; these, with $1,000 salary, provided he has sufficient clerical help, are ample pay for the Secretary of State. And then to talk of $1,500 and $1,000 for clerks for that office! It is beyond absurdity. Almost the entire work of the office is that of a copyist, and hundreds of clerks can be found, amply competent for that position, at $600 and $800 per annum. The committee seem to have but little appreciation of the real character of the offices, for which they are fixing salaries. This proposition for the office of Secretary of State looks precisely as if they were fixing three fat places for three very common carpet-baggers.

The proposition to fix the salary of the Superintendent of Public Instruction at $2,500, and travelling expenses, is all right, but he ought to have a better Clerk than $600 would procure. We regard that office as of almost equal importance with that of Public Treasurer, with, however, less responsibility.

We are not surprised that the majority of the Committee were *stalled*, when they came to fix a salary for the Superintendent of Public Works.

If any body will tell us what use North Carolina has for a Superintendent of Public Works, we shall be greatly obliged. So far, the "Governor" seems to have employed him as an overseer of Public Buildings, by sending him up to the University with a guard to protect it. Is that what is meant!!! In every public work, in which the State is interested, she has Directors specially appointed by the Governor to *superintend* it. Why have a special Agent? Our readers have heard of the *fifth* wheel of a coach,—Many have supposed that there was no such thing, and that it was useless. In this sense, the State has found a *fifth* wheel in the office of Superintendent of Public Works. Mr. Harris may possibly be able to find something to do, to entitle him to about $500 pay per annum, but, beyond this, we are surprised that any one should talk about *a salary*. It would be the most useless *sinecure* in the State. We object to the office—it is wholly unnecessary, unless the General Assembly will abolish the plan of appointing State Directors of Rail Roads, and turn them over to the control of the private stockholders. Then such an office and officer would be highly necessary. In that case, however, he should be a No. 1 Civil Engineer.

### *THE STANDING ARMY.*

It will be seen that the "Bill for organizing Pandemonium in North Carolina, and levying war against the masses of the people of the State who are not Radicals," passed its third reading in the House on yesterday. Mr. Argo, however, the able young representative from Orange, by a shrewd parliamentary manœuvre, voted in the affirmative on the bill, for the purpose of moving a re-consideration; which he subsequently did. The tyrannical majority, thus baulked at their own game, were compelled to allow the postponement of the whole matter until this morning, when, the whole question being open, we may expect that thorough dissection of the iniquity, which it has been the studied and mean object of the war-makers to prevent.

We shall publish the bill to morrow with such comments as it requires. When our reference to it, on yesterday, was made, we had not seen the bill. Upon examination, we do not hesitate to pronounce the substitute as more infamous, if possible, than the original—especially in that it does not limit the number of janisaries that the "Governor" may call out, at will.

THE YOUNG MEN'S CLUB had a large and spirited meeting last night. Proceedings to-morrow. Committees were appointed to make arrangements for the State Convention. The number of enrolled members was increased to about one hundred and twenty-five.

SAFETY.—The Newbern *Journal of Commerce* says that, during the thirteen years that Col. Jno. D. Whitford was President of the Atlantic and N. C. R. R., not a collision occurred, nor a single life was lost on the Road. This is remarkable, and our co-temporarary says it is due to the Colonel's admirable management of affairs.

ANOTHER PROSCRIBED.—We learn that the Supervisors of the Lunatic Asylum have removed J. H. Moore, Esq., the excellent Steward of the Asylum, and filled the vacancy by the appointment of E. A. Whitaker. Alphonzo getteth his reward. We shall ventilate these matters fully, we give due notice.

LAMENTABLE TRAGEDY.—We regret to learn that Thomas Lutterloh, *Jr.*, son of our worthy friend Thomas Lutterloh, of Fayetteville, was killed, in that town, a few days since, in an altercation with a man named Gilbert. We have heard no particulars.

TO FRUIT DISTILLERS.—Distillers of fruit in this State are admonished, that the special tax on fruit distillers is still in force. The Commissioner of Internal Revenue says that the special tax on fruit distillers is $400.

THANKS to our friend W. H. Avera, Esq., of Johnston, for a large club of subscribers to the *Sentinel*.

NEW ADVERTISEMENTS.—Sole Leather, Flour, Lard, Hams, Shoes, Cotton Yarns and Coffee: G. T. & W. C. Stronach.

### *STATE NEWS.*

The Newbern *Journal of Commerce* pays a high compliment to the eminent services of Col. Jno. D. Whitford, the retiring President of the Atlantic and N. C. Railroad,—every word of which is richly merited.

The Wilmington *Star* says that steps have been taken by the Democratic Club of that city to charter a train for the delegation to Raleigh. It suggests: "Let our train go up, dress it with flags, carry a cannon along to fire off at the stations, and let the people know that the Democracy of the South is wide awake."

We regret to learn that Mrs. Tolar has returned from Washington, without any decided assurances of the pardon of her unfortunate husband, at present languishing in Fort Macon under the (as we believe) unjust sentence of one of those arbitrary Military Commissions, which have shamed civil liberty in the South, during the past three years.

Holden's pet *negro Spoilers* for Carteret are Jacob S. Gibble, a fish-peddler as black as a coal, who can neither read nor write; Noah Jackson, ditto, all except the fish business; Francis Gibble, who only makes his mark; Chas. Bell and Parker Whittleton. "Rah for Col and Grantfax!"

The Charlotte *Times* states that, on Saturday last, several men, who have been employed on the North Carolina Railroad for years, were turned off, for the avowed reason that they voted the Conservative ticket at the recent Spring elections. As the *Times* says, the way to meet this infamous proscription, since it has been forced upon us, is to provide the men thus proscribed with work, and to employ no Radical, white or black, except in the very last resort.

Negroes in Rutherford are joining the Seymour and Blair Clubs.

U. S. District Court is in session at Salisbury. Judge Brooks will go thence to Asheville, where he will hold a special term on the 19th.

Burton McNeely, a highly respectable colored man of Salisbury, is out in a Card, severing his connection with the Radical party, declaring for Seymour and Blair, and advising his friends to "do likewise."

Tennessee is reconstructed. Tennessee is bankrupt. Can't meet her July interest.—And wants troops. Can't be carried for Grant without 'em. Let us have peace.

## GENERAL ASSEMBLY OF NORTH CAROLINA.

BY AUTHORITY OF CONGRESS.

FIRST SESSION.

### SENATE.

WEDNESDAY, Aug. 5, 1868.

The Senate was called to order at 11 o'clock. Prayer by the Rev. Mr. Welker, Senator from Guilford.

INTRODUCTION OF BILLS.

By Mr. Barrow: A bill to facilitate the settlement of the estates of deceased persons, and for other purposes. Referred to the Committee on the Judiciary.

By Mr. Beeman: A bill for the relief of certain persons, who may have suffered from the destruction of county records, &c., in the County of Anson.

By Mr. Sweet: A resolution rescinding a former resolution on adjournment, and fixing the day of adjournment on the 17th. of August—to re-convene at the time prescribed in the Constitution, unless otherwise ordered.

A resolution from the Committee on Claims, allowing certain amounts due Messrs. P. F. Pescud, F. J. Hutchins, J. M. Towles and R. K. Ferrell for articles supplied to the Insane Asylum, during and after the war: The question was divided, and the claims were respectively allowed.

The following Senators voted in the negative on Mr. Pescud's claim, of $978.76: Messrs. Bellamy, Burns, Colgrove, Ethridge and Hayes.

On Mr. Hutchings' claim of $893, Messrs. Bellamy, Burns and Hayes voted in the negative.

Some time was consumed in the discussion of the matter. Messrs. Ethridge, Burns and Hayes opposed the resolution on the ground that it was a war debt.

Mr. Hayes remarked: "Mr. President, here are even claims to be brought forward for *nigger* hire!" (O! Mr. Hayes! Mr. Hayes!)

Mr. Sweet stated that he would like to say something in behalf of Mr. R. K. Ferrell. When he (Mr. Sweet,) was a prisoner in the hands of the Confederate forces, and here at Raleigh, Mr. Ferrell had come to him, treated him kindly, and offered to give him and others comfortable quarters at the Asylum, provided he could escape or evade the guard. [Applause.] This claim of Mr. Ferrell's was a just one; he had loaned the money out of his own pocket to the Institution, and it should be paid.

Mr. Hayes then stated that he was opposed to the amount specified in the resolution as the claim of Mr. Ferrell, because he thought Mr. Ferrell should have interest also!

SPECIAL ORDER, VIZ.:

Report of Committee on salaries and fees.

Mr. Welker introduced a resolution, providing that the salaries of certain officers shall not be fixed at present, but that they shall be paid a monthly allowance until their salaries shall be fixed by law.

Mr. Welker stated that his object in offering this resolution was that there had been some conflict in reference to the reports of the Committee, and he desired to give Senators time to consider the matter, and by the time the General Assembly met again, they would be better able to ascertain what amounts the several officers ought to receive.

Mr. Love was opposed to delaying this matter any longer; the salaries of these officers had to be fixed. Why not do it at once? He was afraid there was a hidden motive, in wishing to postpone this matter, until the next session of the General Assembly. The majority here are afraid to show their hands. They desire to wait until after the Presidential election, knowing that they intend to make these salaries enormously high; and they are afraid to let the people see their work.

Mr. Welker disclaimed having any hidden or political motive in offering the resolution. He did so, believing it would save time; he should vote for what he believed to be a fit compensation.

Mr. Moore, of Carteret, called the previous question, but withdrew for a moment, and

Mr. Love denounced the previous question as a contemptible gag-law, used by a majority to prevent a fair and honest discussion.

Mr. Wynne was opposed to the previous question. There are certain gentlemen in this body who are in the minority, and who are our peers. What object can the majority have in gagging them? Let us have a fair and full discussion and take this gag out of the mouths of the opposite party. He hoped he should hear no more of the previous question during the session.

Mr. Moore, of Carteret, renewed his motion and the resolution was adopted.—Messrs. Harrington, Love, Mason, McLaughlin, Osborne, Purdie, Robbins, Winstead and Wilson voted in the negative.

A communication was received from the Treasurer, in response to a resolution of inquiry in reference to certain monies paid out of the Treasury to defray the expenses of the 4th of July celebration in this city. (The communication sets forth that some $260 had been paid, *on a warrant from the Governor*, to Jno. Maguire and P. A. Nolen, for constructing the platform in the Capitol square, on that occasion!)

On motion, the Senate adjourned.

### HOUSE OF REPRESENTATIVES.

[BY UNDERGROUND RAILROAD.]

WEDNESDAY, Aug. 5, 1868.

The House was called to order at the usual hour.

Prayer by the Rev. Mr. Long, of the House.

By Seymour (c. b.): A bill authorizing the Governor to fill vacancies in county offices. The bill passed its several readings, under a suspension of the rules.

Mr. Argo moved to reconsider the vote by which the Special Militia bill (Police Bill) passed its second reading, on yesterday. Mr. A. said he had voted for the bill, yesterday, in order to make the motion, to-day.

Mr. A. proceeded to make an argument in favor of his motion, when

Seymour, (c. b.) rose to a point of order, saying the motion to reconsider was out of order, as the bill had been made the special order for to-day, at 10½ o'clock.

Mr. Durham contended that Mr. Argo was in order, and, in proof of his position, read copious extracts from the rules of order.

The Chair ruled in favor of Mr. Argo.

Mr. A. then proceeded with his remarks in opposition to the bill.

Seymour (c. b.) arose to another point of order, saying that the hour for the special order had arrived.

The Chair sustained Seymour.

Mr. Durham appealed from the decision and called for the yeas and nays. The call was sustained and the Chair was sustained.

Mr. Argo now claimed the floor, as did Seymour. The Chair decided that Seymour was entitled to it.

Mr. Argo moved to adjourn, and called for the yeas and nays. The call was sustained, and the motion was rejected by a strict faction vote.

Mr. Durham said that if the opposite party would allow the minority, to-day, to discuss the bill, and to show its unconstitutionality and enormity, they would cease all parliamentary opposition and allow the bill to come to a straight-out vote. If they (the Radicals) would not allow discussion, he would charge them with being unfair and afraid to allow the merits of the bill to be debated.

Mr. Durham was plainly informed that the previous question would be rigorously enforced.

Mr. Durham then asked that *one* hour be given them.

The same infamous answer was returned.

Seymour insisted that the bill be read as a part of his remarks.

The Clerk proceeded to read the bill, when

Mr. Durham rose to a point of order, saying that the bill should be read section by section.

The Chair said that there was no necessity why it should be so read.

Mr. Durham appealed from that decision.

The Chair ruled the appeal out of order, saying that the gentleman could not point to any rule on which to base his point.

Mr. Durham said "then it is the Speaker's opinion that my appeal is out of order, because my point is not based upon any rule."

The Chair replied, "yes, sir."

Mr. Durham said "well, sir, from *that* decision I appeal and call for the yeas and nays."

The call was sustained and the decision was sustained by a faction vote.

Seymour was allowed to hold the floor, during the reading of the bill, by the Speaker. When the Clerk had read the bill, Seymour moved its adoption and called for the previous question.

Mr. Durham moved to lay that motion on the table.

The Chair refused to entertain the motion.

The question recurred upon the motion for the previous question.

Mr. Durham called for the yeas and nays. The call was sustained, and resulted in a vote of yeas 59, nays 38.

Mr. Argo moved to adjourn.

Mr. Durham moved to lay that motion on the table, and called for the yeas and nays. The call was sustained and the motion was laid on the table, by a vote of yeas 63, nays 26.

Mr. Argo moved to reconsider the vote by which the motion to adjourn was laid on the table.

The Chair ruled the motion out of order.

Mr. Argo appealed from that decision and called for the yeas and nays. The Chair was sustained by a strict faction vote.

The question recurred upon the passage of this bill on its third reading. Mr. Durham called for the yeas and nays. The call was sustained and resulted in the following ballot:

YEAS—Messrs. Argo, Ashworth, Blair, Banner, Carson, Candler, Clayton, of Chowan, Cherry, negro, Crawford, negro, Cawthorn, negro, Dixon, Downing, Ellington, Estes, Foster, Franklin, Forkner, negro, Gahagan, Gunter, Gilbert, Graham, Hutchings, negro, Harris, of Wake, negro, Horney, Hodgin, Hayes, negro, Hendricks, Ingram, Justice, of Rutherford, Kinney, Kelley, of Moore, Long, of Chatham, Laflin, Morrill, Morris, negro, McCanless, Moring, Pearson, Ragland, Renfrow, Reynolds, Rea, Stilley, Simmons, Seymour, Stevens, Selgrist, Vestal, Vest, Wilson, Williamson, negro, Wilkie, Wiswall and Waldrop.

NAYS—Messrs. Ames, Armstrong, Boddie, Barnett, Clayton, of Transylvania, Davis, Durham, Ellis, Farrow, Ferebee, Gatling, Gibson, Grier, Hodnett, Hicks, High Humphries, Hinnant, Hawkins, Justice, of Henderson, Jarvis, Kelley, of Davie, Leary, negro, Moore, Mendenhall, Nicholson, Pou, Parker, Proctor, Proffitt, Robinson, Rhodes, Smith, of Alleghany, Smith, of Martin, Sweat, negro, Sykes, negro, Sinclair, Short, Shaver, Stanton, Thompson, Whitley, Matheson and Williams.

Messrs. Durham, Gatling, Nicholson and others, in giving their votes, took the opportunity, as they had been denied the privilege of discussing the measure, to characterize the whole affair as tyrannical, unconstitutional, unnecessary, expensive, dangerous to the liberties of the people, and expressed their opinion as to the infamous, cowardly, outrageous and ungentlemanly manner, in which the minority had been deprived of the right to discuss it.

Mr. Durham gave notice that, on to-morrow, the Conservative members would present a protest against the whole proceedings.

Proctor changed his vote from the negative to the affirmative, because his colleague (Sinclair) voted in the negative.

Mr. Argo moved to reconsider the vote. Mr. Argo said he had changed his vote from the negative to the affirmative, in order to make this motion. He had done the same, yesterday, on the passage of the bill on its second reading; but the Speaker, contrary to all law and justice, had ruled the motion out of order. Mr. Argo commenced an argument against the bill: 1st., on account of its unconstitutionality; 2nd. the absolute powers granted Magistrates, Sheriffs, Constables, County Commissioners and Judges; 3d., the lack of any necessity for it; 4th., its enormous expense, &c.

Mr. A. was continually interrupted by the opposition, by trifling and captious questions and points of order.

Seymour (goggles) moved two or three absurd points, which, not being sustained by the Speaker, he appealed to the House, and even the House actually refused to sustain him.

After a disgraceful and continued attempt, on the part of the majority, to browbeat Mr. Argo and make him relinquish the floor, it was agreed to postpone the matter until to-morrow morning, 9 o'clock, with the understanding that Mr. Argo is entitled to the floor.

The bill providing for special Courts in the counties of Craven and New Hanover passed its several readings, under a suspension of rules.

After the introduction of several unimportant bills, the House adjourned.

ARE you for war, for military rule, for an Imperial central government and for a Dictator or Emperor? Vote for Grant and Colfax.

### Our Afternoon Dispatches.

FROM NEW YORK—HON. HORATIO SEYMOUR'S LETTER OF ACCEPTANCE.

NEW YORK, Aug. 5, M.

Hon. Horatio Seymour has written a letter formally accepting the nomination by the Democratic Convention. He says that it was unsought and unexpected, but he was caught up by the overwhelming tide which is bearing the country on to a great political change, and he finds himself unable to resist its pressure. The resolutions adopted by the Convention accord with his views. He delayed a formal acceptance until the adjournment of Congress, for the purpose of seeing what light the action of Congress would throw upon the interest of the country.

The Congressional party not only allied itself with the military power which is to be brought to bear directly upon the elections in many of the States, but holds itself in perpetual session, with the avowed purpose of making such laws as it shall see fit—in view of the election soon to take place. Never before has Congress taken a menacing attitude towards electors. Under the influence of Congress, some of the States are proposing to deprive the people of the right to vote for Presidential electors; thereby the first bold step has been taken to destroy the right of suffrage.

He refers to the demands of tax gatherers. He says that men are admitted as representatives of some of the Southern States, with declarations upon their lips that they cannot live in the States they claim to represent, without military protection. They owe their seats to the disorder at the South, and that very fact prompts them to keep it in anarchy.

In vain the wisest Republicans protested against this policy. There is hardly an able man, who helped to build the republican organization, who has not, within the past three years, warned it against excesses, while many have been driven from the ranks.

Personally, in the Presidential office there are no attachments for him. During the war, he had given sixteen thousand commissions to officers of the army, and knows they demand the Union they fought for. The largest meeting of these gallant soldiers ever held endorsed the action of the Convention.

He does not doubt a triumph, "which will bring back peace and prosperity to our land and give once more the blessings of a wise and economical and honest government."

### Our Midnight Dispatches.

FROM WASHINGTON—CABINET SCENE.

WASHINGTON, Aug 5, P. M.

Thad. Stevens' condition is not critical.

The President will not leave the city under ten days. Many important executive matters in abeyance for Evart's return.

A Democratic conference at New York city indicates that Hoffman will be the Democratic candidate for Governor. He is Tammany's favorite.

The General of the Armies has recommended the remission of the remainder of the sentences, and the release from imprisonment, of all persons now in confinement under sentences of military commissions, organized under the reconstruction acts of Congress, in the States in which said acts have ceased to be operative.

The Treasury department gives no intimation of what the debt statement will show. It is stated that its promulgation is delayed on account of serious errors in its computations.

The following is a well authenticated cabinet scene:

Browning had sat, declining himself for Seymour and Blair, following his remarks by the assertion that there should be harmony in the Cabinet. Welles and McCulloch followed in the same strain, not, however, so forcibly—urging changes in the Cabinet, unless Seward, Evarts, Randall and Schofield, who are absent, will act in accord with the President."

FROM SOUTH CAROLINA—THE LEGISLATURE.

COLUMBIA, Aug. 5, P. M.

A bill was passed in the Legislature authorizing the Governor to borrow one hundred and twenty-five thousand dollars.

Also regulating municipal elections in Charleston.

Also declaring all offices vacant held under the Provisional Government.

FROM FLORIDA—THE LEGISLATURE.

TALLAHASSEE, Aug. 5, P. M.

The Legislature, to-day, passed a bill authorizing the Governor to appoint a secret police throughout the State—the numbers and pay at the discretion of the Governor.

The Legislature will probably adjourn to-morrow night.

EXIT CANBY.

CHARLESTON, Aug. 5, P. M.

Gen. Canby issued an order, to-day, officially relinquishing the command of the Second Military District.

## THE NATIONAL DEMOCRATIC CONVENTION!

### THE PLATFORM.

"The Democratic party, in national convention assembled, reposing its trust in the intelligence, patriotism, and discriminating justice of the people; standing upon the Constitution as the foundation and limitation of the powers of the Government, and the guaranty of the liberties of the citizen, and recognizing the questions of slavery and secession as having been settled, for all time to come, by the war or the voluntary action of the Southern States in constitutional conventions assembled, and never to be renewed or re-agitated, do, with the return of peace, demand:

*First.*—Immediate restoration of all the States to their rights in the Union, under the Constitution, and of civil government to the American people.

*Second.*—Amnesty for all past political offences, and the regulation of the elective franchise in the States by their citizens.

*Third.*—Payment of the public debt of the United States as rapidly as practicable; all moneys drawn from the people by taxation, except so much as is requisite for the necessities of the Government, economically administered, being honestly applied to such payment, and where the obligations of the Government do not expressly state upon their face, or the law under which they were issued does not provide that they shall be paid in coin, they ought, in right and in justice, to be paid in the lawful money of the United States.

*Fourth.*—Equal taxation of every species of property according to its real value, including Government bonds and other public securities.

*Fifth.*—One currency for the Government and the people, the laborer and the officeholder, the pensioner and the soldier, the producer and the bondholder.

*Sixth.*—Economy in the administration of the Government; the reduction of the standing army and navy; the abolition of the Freedmen's Bureau (great cheering) and all political instrumentalities designed to secure negro supremacy; simplification of the system and discontinuance of inquisitorial modes of assessing and collecting internal revenue, so that the burden of taxation may be equalized and lessened, the credit of the Government and the currency made good; the repeal of all enactments for enrolling the State militia into national forces in time of peace; and a tariff for revenue upon foreign imports, and such equal taxation under the internal revenue laws as will afford incidental protection to domestic manufactures, and as will, without impairing the revenues, impose the least burden upon and best promote and encourage the great industrial interests of the country.

*Seventh.*—Reform of abuses in the Administration, the expulsion of corrupt men from office, the abrogation of useless offices, the restoration of rightful authority to and the independence of the executive and judicial departments of the Government, the subordination of the military to the civil power, to the end that the usurpations of Congress and the despotism of the sword may cease.

*Eighth.*—Equal rights and protection for naturalized and native born citizens at home and abroad; the assertion of American nationality which shall command the respect of foreign Powers, and furnish an example and encouragement to people struggling for national integrity, constitutional liberty, and individual rights; and the maintenance of the rights of naturalized citizens against the absolute doctrine of immutable allegiance and the claims of foreign Powers to punish them for alleged crime committed beyond their jurisdiction.

In demanding these measures and reforms we arraign the Radical party for its disregard of right, and the unparalleled oppression and tyranny which have marked its career. After the most solemn and unanimous pledge of both Houses of Congress to prosecute the war exclusively for the maintenance of the Government and the preservation of the Union under the Constitution, it has repeatedly violated that most sacred pledge, under which alone was rallied that noble volunteer army which carried our flag to victory.

Instead of restoring the Union, it has, so far as is in its power, dissolved it, and subjected ten States, in time of profound peace, to military despotism and negro supremacy.

It has nullified there the right of trial by jury; it has abolished the *habeas corpus*, that most sacred writ of liberty; it has overthrown the freedom of speech and the press; it has substituted arbitrary seizures and arrests, and military trials and secret star-chamber inquisitions for the constitutional tribunals; it has disregarded in time of peace the right of the people to be free from searches and seizures; it has entered the post and telegraph offices, and even the private rooms of individuals, and seized their private papers and letters without any specific charge or notice of affidavit, as required by the organic law; it has converted the American capitol into a bastile; it has established a system of spies and official espionage to which no constitutional monarchy of Europe would dare to resort; it has absolished the right of appeal on important constitutional questions to the supreme judicial tribunal, and threatens to curtail or destroy its original jurisdiction, which is irrevocably vested by the Constitution, while the learned Chief Justice has been subjected to the most atrocious calumnies merely because he would not prostitute his high office to the support of the false and partisan charges preferred against the President. Its corruption and extravagance have exceeded anything known in history, and by its frauds and monopolies it has nearly doubled the burden of the debt created by the war. It has stripped the President of his constitutional power of appointment even of his own Cabinet. Under its repeated assaults the pillars of the Government are rocking on their base, and should it succeed in November next, and inaugurate its President, we will meet, as a subjected and conquered people, amid the ruins of liberty and the scattered fragments of the Constitution; and we do declare and resolve that ever since the people of the United States threw off all subjection to the British Crown, the privilege and trust of suffrage have belonged to the several States, and have been granted, regulated, and controlled exclusively by the political power of each State respectively, and that any attempt by Congress, on any pretext whatever, to deprive any State of this right, or to interfere with its exercise, is a flagrant usurpation of power which can find no warrant in the Constitution; and it sanctioned by the people will subvert our form of government, and can only end in a single centralized and consolidated Government, in which the separate existence of the States will be entirely absorbed, and an unqualified despotism be established in place of a federal union of co-equal States; and that we regard the reconstruction acts (so-called) of Congress as usurpations, and unconstitutional, revolutionary, and void; that our soldiers and sailors, who carried the flag of our country to victory against a most gallant and determined foe, must ever be gratefully remembered, and all the guarantees given in their favor must be faithfully carried into execution.

That the public lands should be distributed as widely as possible among the people, and should be disposed of either under the pre emption or homestead laws, and sold in reasonable quantities, and to none but actual occupants, at the minimum price established by the Government. When grants of the public lands may be allowed necessary for the encouragement of important public improvements, the proceeds of the sale of such lands, and not the lands themselves, should be so applied.

That the President of the United States, Andrew Johnson, (applause,) in exercising the power of his high office in resisting the aggressions of Congress upon the constitutional rights of the States and the people, is entitled to the gratitude of the whole American people, and in behalf of the Democratic party we tender him our thanks for his patriotic efforts in that regard."

### *CONSTITUTION AND BY-LAWS FOR CLUBS.*

We have received letters from several sources, requesting us to send printed copies of a Constitution and By-Laws for the organization of Seymour and Blair Clubs.—Having none on hand, and no funds to print them, we have prepared the following Constitution and By-Laws, as a guide for Clubs, and submit them to the consideration of our friends. They were submitted to the Young Men's meeting to form a Seymour and Blair Club, in this city, on Tuesday night, and unanimously adopted:

**CONSTITUTION.**

ARTICLE 1st. This Association shall be styled the ——Club of ——of North Carolina.

ART. 2. The objects of this Association are as follows: To unite in close political compact every Democrat, Conservative, or by whatever name known, in North Carolina, for the support and defence of the Constitution of the United States; the promotion of the peace and good will of society and the harmony of the Union; the proper enforcement of law and order by legitimate forms, and the utter destruction of Radicalism every where, by the election of HORATIO SEYMOUR, of New York, as President, and FRANCIS P. BLAIR, of Missouri, as Vice President, and all other Democratic and Conservative nominees for any office; and, further, to promote the mutual benefit and protection of each other in all lawful pursuits, aiding each other in business, as being members of one great political family, seeking to promote each other's welfare, and especially to extend such aid to those who have been or may be ignored or proscribed by the Radical party, as the Association may be able.

ART. 3. The officers of this Club shall consist of a President, three Vice Presidents, a Recording Secretary, a Corresponding Secretary and a Treasurer, who shall perform the duties usual to such offices, and who, together with Five Directors, shall be elected annually at the annual meeting of the Association, and shall constitute an Executive Board, to whom shall be committed the interests of the Club.

ART. 4. This Constitution, and such By-Laws or Regulations as the Club may adopt, may be altered, amended or changed at any public meeting of the Club, by a vote of two-thirds of the members present.

SUBSCRIPTION.

We, whose names are hereto annexed, do solemnly pledge our word and sacred honor, constantly and faithfully to promote the objects and aims of this Club as set forth in the foregoing Constitution, and do hold ourselves ready to defend the same, and to protect, to the extent of our ability, every member of this Association throughout the State.

**BY-LAWS AND REGULATIONS.**

1. Every member of this Club shall sign and subscribe the Constitution, in order to recognition.

2. All monied contributions to the objects of the Association shall be voluntary, and shall be held by the Treasurer, who shall keep an exact account and disburse the same only on the order of the Executive Board, to whom he shall submit his accounts when ordered.

3. The Club shall order its public meetings when and where it chooses, and the President may call meetings when desirable, but the Executive Board, or such of its members as may be designated, shall select speakers and make all necessary arrangements.

4. Each member of the Executive Board is hereby appointed a Committee to solicit names for membership, also monied donations for the objects of the Club, and to attend to the general interests of the Club, such as directing the correspondence, procuring and circulating documents, &c.

5. The Executive Board shall meet to transact the private business of the Club as often as may order, (and the officers of the Club shall be *ex-officio* officers of the Board) when the names of members shall be presented for registration or dismissal for good cause, to consider the financial business of the Club, and such other private matters as may be necessary. All members of the Club may attend the private meetings of the Board when convenient, and may give counsel, but the business of the Board will be determined by the vote of the Board itself.

6. Any member of the Club intending to move to any other section, may obtain a certificate of his membership in this Club, if he desire it, to be signed by the President and Secretary.

7. The Executive Board of each Club will give special attention to all matters of registration, voting, &c., that all do their duty, and that the law is strictly observed, that all fraud or mal-practice is detected and duly punished.

REMARKS.

1. In South Carolina, Georgia, Mississippi and other Southern States, strong Democratic Clubs are being formed, composed of colored citizens. The Constitution above is so worded that it can be adapted to any place or persons. If Democratic Clubs can be formed entirely of colored persons, perhaps it will be best; but where there are few, the Clubs may decide to enter them on their registers or not, as they may elect.

2. We would suggest that Young Men's Clubs, everywhere, should embrace all young men, from 18 years of age, and upwards. Many old men are faint-hearted, timid, afraid to let people know their political *status*. Take in the young men, who have the pluck, and who may be educated to *love* the Constitution and the country, and who will always vote right, when they become of age. We need the ardor and boldness of youth, as well as the prudence and wisdom of age. The necessity for this, however, would be obviated, if the young men, under the age of 21, would form Clubs of their own.

3. We insist upon forming Clubs in every Ward, in every precinct and Captain's District in the State, where 25 or 30 members, and as many more as possible, can be obtained. The more the better. The talent and energy of all our people must be brought out. It will not do to let the old men and the old party managers do all the managing and the talking. We *must put every* man in some position to be useful. By having a Club in every Ward and every neighborhood, we can find room for a great many as officers and talkers and working men. We can have our Club meetings out of doors, these pleasant nights, by moonlight or camp fires, and there will be a chance for *every man*, who can make a talk, or a little speech, or a great speech, to do something in that line. Let the Clubs be formed. Bring out all our men to work for the Constitution and the country, and let us save them by the election of Seymour and Blair!

### GENERAL REMARKS.

Revenue stamps may be used indiscriminately upon any of the matters or things enumerated in Schedule B., except proprietary and playing card stamps, for which a special use has been provided.

Postage stamps cannot be used in payment of the duty chargeable on instruments.

It is the duty of the maker of an instrument to affix and cancel the stamp thereon. If he neglects to do so, the party for whom it is made, may stamp it before it is used; and, if used after the 30th of July, 1864, and used without a stamp, it cannot afterwards be effectually stamped. Any failure upon the part of the maker of an instrument, to appropriately stamp it, renders him liable to a penalty of two hundred dollars.

Suits are commenced in many States by other process than writ, viz: summons, warrants, publication, &c., in which case these, as the original process, severally require stamps.

Writs of scire facias are subject to stamp duty as original process.

The jurat of an affidavit, taken before a Justice of the Peace, Notary Public, or other officer duly authorized to take affidavits, is held to be a certificate, and is subject to a stamp duty of five cents, except when taken in suits of legal proceedings.

Certificates of loan in which there shall appear any printed or written evidence of an amount of money to be paid on demand or at any time designated, are subject to stamp duty as Promissory Notes.

The assignment of a mortgage is subject to the same duty as that imposed upon the original instrument; that is to say, for every sum of five hundred dollars, or any fractional part thereof, of the amount secured by the mortgage, at time of its assignment, there must be affixed a stamp or stamps, denoting a duty of five cents.

When two or more persons join in the execution of an instrument, the stamps to which this instrument is liable, under the law, may be affixed and cancelled by one of the parties.

In conveyance of real estate ... law provides that the stamp affixed must ... of the value of the estate or interest conveyed.

No stamp is required on warrant of attorney accompanying a bond or note, when such bond or note has affixed thereto the stamp or stamps denoting the duty required, and whenever any bond or note is secured by mortgage, but one stamp duty is required on such papers, such stamp duty being the highest rates required for such instruments, or either of them. In such case a note or memorandum of the value or denomination of the stamp affixed should be made upon the margin or in the acknowledgment of the instrument which is not stamped.
